

SHERWOOD CRIER

LSPOA PRESIDENTS NOTES

Dear Lake Sherwood Property Association Newsletter Recipient/Reader:

Hello everyone,

All I can say is Wow! What a spectacular fireworks show this year for our 4th of July celebration. Thank you Stacy Charles and her family the generous donation in memory of your parents for the grand finale. I want to thank Michelle and her staff for all the hard work maintaining the Lodge inside. I also want to thank all the volunteers who kept the outside venue moving smoothly. This year was one of our best years of doing the 4th of July Celebration. Next year will be even better. There was so many new faces there. I hope everyone had a great time.

Here are just a few thing that have been done at the Lodge this Spring. A new Broaster and Pizza station have been purchased. The floor in front of the cooler and freezer doors have been repaired. The deck has been stained. There has also been many minor repairs done to keep business running better and more organized. Stop in today and enjoy the atmosphere at Lake Sherwood Lodge.

I would like to say Congratulations and all the best to all our scholarship recipients. All your hard work has paid off. Keep up the good work in college.

Stay Safe and Thank You

Chuck Donegan
LSPOA President

SPRING
2022

FROM THE TREASURER

Hello to all of the Lake Sherwood Property Owners.

I would like to discuss the donations you make to the lodge and where that money goes. I am talking about the \$100 from each property owner that is asked each year to keep Lake Sherwood Property Owners Association and your lodge going. You receive an invoice late in the year and a reminder mid-year again asking for \$100. Most of you do not donate the \$100 because you don't feel you get anything for that \$100. Only about 40% of the property owners donate each year.

I would like to say **Thank You** to those who do donate each year to LSPOA. Your donations make a huge difference for many in the community and keep the lodge going every year. Your donations go for the sponsored LSPOA events. The Fisheree in January, the Independence Day Celebration, the Fireworks, and other smaller events and special interests in the community. We offer scholarships for any LSPOA member using your donation dollars. So if your child or grandchild, and even great grandchild, is heading or in college they can apply for a \$1000 scholarship from LSPOA. There are multiple of these and they can be applied for and given out each year your child is in school.

Donations are used for the maintenance of the Lodge building and grounds. Also, donations are used for the major equipment in use at the lodge like refrigeration, water, and HVAC. You maybe believe and assume the bar and restaurant business should be paying for these improvements. Accounting at the lodge is split between LSPOA and the Lake Sherwood Lodge (bar and restaurant) when it comes to maintenance and capital improvements. Your donations are used to keep the building up to code and functioning for your socializing and dining pleasure.

LSPOA is not a taxing authority. We cannot mandate that the dues/donations be collected each year. We rely on your generosity, and let's face it it's \$100 from each of you that keeps all of these events and the lodge going.

Speaking of the Independence Day Celebration, we had a record crowd this year. I'd like to **Thanks** to the major sponsors for their donation toward the event, The Nimtz Family, Rome Realty, Adams Columbia Electric, and Ho-Chunk Casino. I would also like to say a huge **Thank You** to the Nekoosa football team for running cleanup during the festival. This was the cleanest event we have had to date. I would also like to thank the volunteers (Board Directors, Members and Non-Members) who help make this the day such a special event for everyone, adults and children alike. I would also like to thank the Town of Rome Police, Town of Rome Fire Department, Tri-Lakes, and Adams County for their support and participation in making this event a huge success. It takes a coordinated effort to make this event a success and I would especially like to thank Michelle Feldbruegge, Morgan Ferk, Anne Donegan and Tina Geib for heading up the event this year.

As a reminder, LSPOA still continues to offer scholarships, hold the Ice Fisheree in January, and many other events that you can find on our website www.lakesherwoodlodge.com. Your dues paid to LSPOA is your commitment to Lake Sherwood Property Owners Association and our collective strength to keep the Lodge and all of these events continuing into the future.

I would like to commend the staff in keeping the Lodge -THE PLACE TO GO for food and beverage, and for the safe and clean environment that we have at our convenience. I appreciate all that the Board, our Lodge staff and Michelle have done in the past and continue to do for us all.

Patrick Geib
LSPOA Treasurer

NEWS FROM THE MANAGER

Welcome Summer to all our Customers,

Our 4th of July Celebration was a huge success. I want to thank our staff for a great job they did. The crowd was overwhelming and they handled it superbly. I want to thank Ann and Chuck Donegan, Pat and Tina Geib, and the Nekoosa Football Team for all their hard work, They were here from the start to the long end. I want to thank all the volunteers who also helped, many were not even Sherwood members. I especially want to thank my family for coming up and helping all day and night. I also want to thank Tina Geib's parents for helping setup and helping with the kids games. Without them we would not have been able to have the 4th of July Celebration.

The Lodge is still looking for help (so if you know someone send them our way). We are doing our best to take care of all our customers and your patience is always appreciated.

Don't miss our Customer Appreciation Day on August, 27, 2022 at 2pm until 6pm. There will be Karaoke, Brats & Hotdogs. We are pairing up with the Adams County Humane Society again. They will be having a Raffle, 1st prize is \$500. They also will be having Raffle basket. All proceeds will go to the Adams County Humane Society.

Check out all upcoming events and special on Facebook and our website.

Michelle

Rome Sno-Bandits

***Make New Friends
Join A Snowmobile Club
You'll Never Ride Alone***

Do you love to snowmobile, and do you belong to a snowmobile club? The Rome Sno-Bandits have over 250 members and maintain 35 miles of trails in Northern Adams County and Southern Wood County. We are deeply committed to serving our community through volunteering, holding community events, and donating to several local charities and organizations. We promote and support our local businesses.

Our club is a member of the Association of Wisconsin Snowmobile Clubs (AWSC). The AWSC is dedicated to the preservation of snowmobiling throughout the state by monitoring regulations and proposed legislation that could affect our sport. They are the legislative voice for Wisconsin's snowmobilers and 600-plus snowmobile clubs statewide. Wisconsin is home to more than 25,000 miles of trails thanks to the efforts of snowmobile clubs with their tireless volunteers.

Our club was recently recognized as "Snowmobile Club of the Year" at the State, National and International levels. In June of 2021, we submitted an application to AWSC for "Club of the Year". This award recognizes clubs that go above and beyond, demonstrated a deep commitment to the sport of snowmobiling, are involved and are striving to make the sport safe and enjoyable for the future. In August of 2021, our club was notified that we were selected. The AWSC then submitted our application to the American Council of Snowmobile Associations (ACSA) to be considered for "Club of the Year" at the National level. ACSA is a national organization uniting the snowmobile community and promoting snowmobiling as a safe, fun and environmentally friendly family sport. Our club was notified in May of 2022 that we won this prestigious award and would be presented with it at International Snowmobile Congress (ISC) in Dubuque Iowa in June of 2022. While accepting our National Club of the Year Award from ACSA, our club was surprised with being presented with the International Club of the Year and the news that we will be inducted into the International Snowmobile Hall of Fame at a ceremony to be held in Eagle River, WI in September. Our club is very proud of these awards!

If you ride, please consider joining our club. Applications are available on our website, [at club meetings](#) and at various sponsors around Rome.

Club meetings are held the 2nd Saturday of the month, September through June, at 9:00 am at the Rome Town Hall. There are no meetings in July or August.

Respect landowners by staying on marked trails! Landowners kindly allow us to build trails across their land for snowmobile trails only. Snowmobiling outside of trail markers is trespassing and could result in the loss of these trails. If you trespass, we all lose!

GENERAL TOWN UPDATE by Administrator Jami Gebert

Feedback Wanted! The Town is currently reviewing our 2016 Comprehensive Plan, a joint sub-committee of Plan Commission and Community Development Authority (CDA) has been formed. If you would like to participate or provide input, meetings are held the 2nd Tuesday of the month and information is available under Minutes & Agendas on the Town's web site.

Friendly Reminder! The Town's 24/7 hotline phone number is available for any residents experiencing an issue with a Short-term Rental property. The hotline phone number is (715) 504-6244 or residents can report problems through a website link at <https://safe.hostcompliance.com/tips/route>. The Town contracts with a company named Host Compliance to monitor this hotline.

Please Remember! Pedestrians must walk along the left side of road, when not walking on a sidewalk, and bike on the right side of the road. Bicycles operate under the same laws as other legal vehicles on the road and should always stay on the right side of the road. An easy reminder is FEET ON THE LEFT and WHEELS ON THE RIGHT! And if walking/biking at night or during dusk, wear reflective outdoor clothing or lights to make yourself more visible.

Want Updates? Interested in knowing more about Town of Rome Government happenings? Subscribe to Updates on www.romewi.com to receive text or email messages regarding meeting agendas, news and notices from the Town.

POLICE DEPARTMENT UPDATE by Chief Jason Lauby

In June, the Town Board changed the Town Code that had exempted Lakes Arrowhead, Camelot, and Sherwood from State Law that required Slow No Wake within 100 feet of shore. As a result of this change, motorboats are now restricted to Slow No Wake anytime they travel within 100 feet of the shoreline, on any part of the lakes. Also, as a reminder Lakes Camelot, Sherwood, and Arrowhead are all slow no wake after 8:00 pm. If residents observe boating violations, on a routine basis, we urge them to call the Rome Police Department so we can give these problem areas some extra attention.

PUBLIC WORKS UPDATE by Director of Public Works Brad Martinson

The Splash Pad is now open with regular hours of 10:00 a.m. to 8:00 p.m. or dusk, whichever is sooner, seven days a week, through Labor Day Monday. Hours and dates are subject to change without notice depending on weather. Splash Pad use is unsupervised. Use of the Splash Pad or Playground area is at your own risk.

Dyracuse Recreational Area is open Wednesdays, Fridays, Saturdays and Sundays through Labor Day. After Labor Days hours decrease, but the park remains open through the last full weekend in October. For a complete listing of parks hours visit, <https://romewi.com/dyracuse/> and for current trail conditions visit us on Facebook @Dyracuse Recreational Area.

Friendly reminder, please do not leave trash on the ground at the Town's Transfer Site. We understand summer-time is busy, but if all dumpsters are full, please bring back bulk items when space is available. Please remember we do not take cement, blacktop, shingles, computers or electronics. Also, if you have a large remodeling/construction project we encourage you to obtain a dumpster, as the Transfer Site is for household garbage, recycling and yard waste/compost.

As always, if you have any questions about anything regarding Public Works, please call 715-325-8017.

ELECTION UPDATE by Clerk/Treasurer Amy Reuteman

The Partisan Primary Election will be taking place at Rome Town Hall on August 9, 2022. Polls will be open from 7:00 a.m. through 8:00 p.m. If you are not already registered to vote in the Town of Rome you may do so at the Clerk/Treasurer's office or online at myvote.wi.gov. The deadline for electors to register by mail or online is July 20, 2022. In-person absentee voting will begin July 26, 2022, from 8:00 a.m. – 4:00 p.m. at the Clerk/Treasurer's Office. In-person absentee voting will end on August 5, 2022 at 4:00 p.m. Absentee ballots may also be requested thru the myvote.wi.gov site. Please do not place a return absentee ballot in the Town's drop box. If you have any questions regarding the election, please call 715-325-8022.

ZONING UPDATE by Zoning Administrator Emily Zeddies

The Town of Rome has a high risk of wildfire. To help reduce the fuel loads prior to wildfires, the Town has proactively enforced the Dead Timber and Brush Ordinance with the cooperation of an intern at no additional cost to the Town. If you received a Dead Timber and Brush Ordinance Enforcement letter, please know the Town wants to work with you in regards to coming into compliance. Please refer to the deadline date provided in your letter and stay in communication with the Town as to clean-up efforts. We appreciate everyone working hard to keep our Town safe in case of wildfire and extend a big 'thank you' to properties who have communicated with us and brought their properties into compliance. Thank you!

2023 LSPOA Board of Director Election

Lot owners who have paid their 2022 LSPOA dues are entitled to one vote per lot, for which dues have been paid, in the 2023 Board of Directors Election. Voting begins immediately using the Lake Sherwood Property Owners Association 2023 Board of Directors Election Ballot contained in this newsletter or **the online** ballot found at <https://www.surveymonkey.com/r/BY2L6G7>. A link is available on the LSPOA website at <https://www.lakesherwoodlodge.com/news--updates>. Election results will be announced at the Labor Day General Membership Meeting. 2023 Directors take office on January 1, 2023. Be active in your LSPOA organization by voting! Thank you!

LSPOA Board of Directors Needed

Not all subdivisions currently have representation on the LSPOA Board of Directors and not all subdivisions have candidates for the 2023 Board of Director election. If the subdivision in which you live is without a candidate, write in votes are encouraged. If you write in someone other than yourself, please obtain the individual's permission and provide the individual's telephone number. To become an elected 2023 LSPOA Board of Director you must live in the subdivision you represent and become a 2023 dues paying member of LSPOA.

If all subdivisions do not have representation after the election, directors at large may be appointed to represent subdivisions in which they live and subdivisions without representation. If you are interested in becoming a 2023 Board of Director and/or have questions about becoming a Director, email LSPOA at lsboa@wctc.net or phone the office at 715-325-4066. Be active in your LSPOA organization by becoming a Director! Thank you!

2022 LSPOA General Membership Meeting

Lake Sherwood Covenants and Protective Restrictions Rescission

In December 2020 settlement documents addressing issues in a Notice and Demand letter received by LSPOA from the attorney of an owner of lots in Westwood Shores were approved by Lake Sherwood Property Owner Association Members. This action completed the requirements to accept the settlement documents as set forth in the LSPOA Bylaws. With the acceptance of these documents LSPOA was released of all claims made by the property owner, the LSPOA Covenants and Protective Restrictions were rescinded and no longer will apply to Lake Sherwood and Westwood Shores lots, and any references to covenants and restrictions in the LSPOA Bylaws were eliminated.

Various entities regulate building, setbacks, lot uses, shorelines, shoreline structures, camping, short term rental and much more on Lake Sherwood. The regulations of these entities are similar to many of those contained in the recently rescinded LSPOA Covenants and Protective Restrictions. The Lake Sherwood Property Owners Association intends to support the regulations imposed by these various entities. LSPOA Directors will actively identify activities on Lake Sherwood that impede its purpose to preserve, maintain and improve amenities of the Association, the value of Lake Sherwood property, the water quality of Lake Sherwood and the ability of Members to enjoy their property. Such activities will be reported by LSPOA to the appropriate regulating entity. Lake Sherwood property owners are urged to do the same.

Lake Sherwood Property Owners Association 2023 Board of Directors Election Ballot

YOUR VOTE FOR THE LEADERS OF LSPOA and the SHERWOOD LODGE

CONSERVATION NEWS

By David Trudeau, Conservation Committee Chairperson

As we're getting into our summer fishing season, try casting near the fish sticks habitat that has been installed on the banks of the two islands in the no-wake Conservancy Area. There are now over 230 trees cabled to the bank, which provide a food source, cover, and spawning areas for our lake. The trees extend about 30 feet out under the water, so stay clear of the trees if you are a swimmer or are in a small hand powered craft, like a kayak or canoe. We have finished with fish sticks installation on the two islands, but will put in about 30 more trees on the south shore on Adams County property between the weed cutter launch site and the dam in February.

I am working as a volunteer again to assist in implementing the DNR Healthy Lakes grant program this year. You can get a grant reimbursement of up to \$1,000 for installing a rain garden, run-off diversion practice, rock infiltration, native planting, or fish sticks on lakefront parcels. These practices are designed to reduce nutrient and sediment flow into the lake and stabilize shorelines above the water's edge. The grant offers a 75% match for funding and you can get credit for your volunteer labor towards your 25% share. You can do more than one project, each with a \$1,000 payment. The deadline for the 2023 grants is November 1st of this year.

It isn't too early to remind folks that as part of the Firewise program, we are planning a 3 hours clean-up of brush and dead trees on Sherwood Forest on the fourth Saturday of October, the 22nd. Bring gloves and an ATV or UTV and trailer to Archers Lane at 9 am to assist. We will have lunch at noon. The Firewise grant will issue a payment for the use of your equipment.

While looking ahead towards fall, curbside brush pick up by the Town of Rome is scheduled for all of the Rome subdivisions, including Sherwood properties. The Town does not plan to send any notification by mail this year, but has plans to post the dates on the Town website and Facebook page.

As part of the Firewise grant program, individual Homeowner Wildfire Risk Reduction projects can now be funded through the 2023 Sherwood Firewise grant. This program was offered twice before as a pilot program but was separate from our Sherwood Forest Firewise grant. We can get funding of up to 7 projects funded up to \$500 with a 50% match. The 50% match can include volunteer labor for your homeowner's share. The grant process starts with a site visit to evaluate your parcel's risk. Projects included in this grant are screening the underside of a deck to prevent leaf litter accumulation, replacing vinyl gutters with metal, removing dead trees within 100 feet or live trees within 30 feet of a dwelling, covering basement window wells, and converting from wood mulch to rock mulch around your house, and replacing vinyl screen with metal. The deadline for this application will be November 1st, same as the Healthy Lakes deadline.

Please contact me if you are interested in participating in the Healthy Lakes grant for improving water quality or the Firewise grant for homeowners to reduce your wildfire risk.

Your volunteer efforts for our Conservation program are a great way to contribute to improving our community. Our work projects and fund raisers serve as an excellent way to meet your neighbors and enhance the lifestyle that brings us to Lake Sherwood. You can volunteer to assist with any of the upcoming Conservation projects or you are also invited to join the LSPOA Conservation Committee. You do not need to be on the LSPOA Board of Directors to be an active committee member. Please contact me if you can get involved.

Tri-Lakes Management District Summer 2022 Newsletter:

Your Tri-Lakes Management District has engaged EOR as our representative Environmental Engineering firm.

They are located in MN with offices in Madison and other areas. www.eorinc.com

They have extensive experience in water management including history with watersheds.

They are currently reviewing our sediment borings from February and the 2000 results and will also be looking at the water testing that have been accumulated over the years in the watershed. They will be our advisors on all facets including the 9 Key Element plan as well as opportunities that may occur due to new technologies or companies that may be able to contribute to improved conditions in our lakes.

To help mitigate e-coli from goose droppings as well as other issues, we conducted our goose roundup on June 22 and collected 94 geese raising our 3 year total to 516. This number of geese would contribute over 3,000 lbs of phosphates and over 10,000 lbs of nitrates to our lakes and shorelines in 1 year! Additionally, their removal greatly reduces the probability of Ecoli contamination as well as other pathogens, viruses and illnesses associated with close contact to geese.

The annual meeting is scheduled for Saturday, September 3, 9:00 am location to be announced.

At this writing we are in the process of attempting to qualify for alum treatments which if, accepted would start next year. Although we have high phosphate content in our sediment borings the continuous flow from the watershed may preclude us from participation in the treatment program. EOR is currently working on this issue. The DNR does issue grants to lakes that qualify for these treatments.

We are also looking at several other companies and programs and have asked EOR to review for possible application within our lakes.

WOODLAND E.L.C.A. CHILI FEST October 1, 2022

After what seems like a long break due to Covid changing everyone's plans, Woodland Church's Chili Fest, Craft/quilt sale, rummage sale and Horse Cart rides will be held again in 2022. Plan to come to Woodland Church, 280 14th Ave, on Saturday, October 1, 2022 from 9:00 a.m. to 4:00 p.m. Chili with all the trimmings will be served from 11:00 to 3:00. Don't forget to choose your favorite slice of pie for dessert.

Along with delicious chili served in our Fellowship Hall, crafts and quilts made by the Woodland Community Quilters will be for sale. Outside, there will be Horse Cart rides featuring Pastor Margo's beautiful Clydsdales, and a Rummage Sale in the shed. Chili Fest has been a nice event for almost 30 years in the Town of Rome. We hope you can join us for the food, fun, and bargains you will find. Mark the date on your calendar and plan to attend. If you have any questions, please call 715-325-3686.

OPEN BURNING

Open burning is defined as burning any material outdoors without any air pollution controls in place. Burning in an unconfined area, a container or a pile are all considered to be open burning.

Burning solid waste materials, such as treated wood, plastic, household garbage and most other trash is prohibited statewide, and local ordinances may be more stringent than statewide requirements. It is legal to burn items such as leaves, brush and clean wood under some circumstances. However, you need to make sure you have all necessary burn permits. Permit can be obtained at Town of Rome located on HWY 13 and Alpine Drive or online at DNR. It is always better to use alternative disposal methods, including composting, recycling, and landfills.

** Denotes Board Member appointed in accordance with Article 6, Section 7 of the LSPOA Bylaws and lives in the subdivision

Directors for Subdivisions without representation after the Board of Directors Election may be appointed. LSPOA first seeks directors who live in the subdivision to appoint to the Board. If not identified LSPOA appoints individuals who live in another subdivision. Several appointed 2021 Board of Directors have volunteered for 2022 and may be appointed. The LSPOA Board of Directors normally meets on the second Saturday of each month. **If you are interested in becoming a LSPOA Director please email LSPOA at lsboa@wctc.net or phone the LSPOA office at 715-325-4066.**

WOODLAND COMMUNITY QUILTERS

Woodland Community Quilters work on quilts every Monday from 9:00 to 3:00. We usually take a break in the morning to catch up on each other's news and a lunch break. Since November 1, we have completed over 425 quilts. We still need donations of clean sheets, so keep us in mind when you have some to give away. We are also in need of yarn and pearl cotton to tie the quilts. If you have some yarn or pearl cotton to donate, please call so we can pick it up, or arrange for you to drop it off. We need about 10 yards for each quilt, so if you have partial skeins we may be able to use them.

The quilt group is a social group as well as a group that works on a very deserving project. Our quilts go to Lutheran World Relief, and local agencies that help people in Adams and Wood Counties. Congratulations to Kathy Halvorson who won the quilt that was raffled off at the May Rome Ladies Luncheon. We invite newcomers to help with the project any time they can come. Sewing skills are not needed as we have many other jobs available, like cutting, pinning, ironing, matching fabrics, tying, and measuring. Please call Jeanne at 715-325-6244 or Linda at 507-358-6614 if you have something to donate or would like to help.

ROMEMAKERS HOME AND COMMUNITY EDUCATORS

Romemakers HCE is part of a large organization in Wisconsin with clubs in counties all over the state. The Wisconsin Association of Home and Community Education (WAHCE) is planning a state conference where members from all over meet to share ideas, learning experiences, field trips, crafting classes and social time together. This year, the September event will be held in Onalaska, WI. Some of the cultural arts entries from the Adams County clubs will be going to the state conference to be judged against the best of the best from all over the state. It promises to be a fun time for all who attend.

The Romemakers are celebrating their 50th year in 2022. The club started in 1972 and met at Lake Sherwood Lodge. Back then, they did the same types of things that we do today - whatever they could do to help others, and to offer education opportunities here and in the county. In the last couple of months, members organized a collection of items needed for fire victims that will be available in the storage room of the Adams County Fire District. They sponsored a class on planting Prairie Flowers in Adams with Neil Diboll (owner of Prairie Nursery) speaking to a room full of people. He is a very enthusiastic speaker, and could have talked all night. If you get a chance to hear him, try to do so. Romemakers sponsored the Voter's Forum for local candidates in Rome. Larry Harvey shared some of his 4000 photos of Cuba and attendees had a sampling of Cuban Food in March for the International lesson. Members are working with the rest of the clubs in Adams County to make hats for Cancer patients. They are also working on a Fair Booth for the Adams County Fair. Making adult clothing protectors is the club project for the summer. Members made up kits to take home and sew whenever they have time. They are planning a field trip to Wausau in July to get a tour of Monk Gardens and the Woodson Art Museum. In August, they are visiting a Lavender Farm and the Crane Foundation in Baraboo.

Looking ahead, On Saturday, October 29, from 1-3, Romemakers and Visit Rome are sponsoring Trick or Treat at the Rome Town Center Gazebo for all families in the area. On November 19, the Old-Fashioned Holiday Craft Fair will be held at the Town Hall on Saturday, Nov. 19. Watch for more information on these events after Labor Day.

There is always something going on in HCE. If you are interested, you can come to any meeting. Meetings are held at the library in the community room at 9:30 on the 2nd Thursday of each month. Come and join us! We'd love to introduce you to the many opportunities in HCE.
