LSPOA PRESIDENTS NOTES

Dear Lake Sherwood Property Association Newsletter Recipient/Reader:

For about six months now, I have had the privilege of being the President of Lake Sherwood Property Owners Association (LSPOA). Seeing the value that others provide to the LSPOA members from the perspective of the President is truly remarkable. It takes several individuals, lodge employees, committees, board members, volunteers, etc. to make it all happen. The following is a list of some of the highlights of 2018 so far as seen from my viewpoint that many have been instrumental in making happen:

- ◆ Continued success of the lodge business due to the efforts of Cheryl and lodge employees
- ◆ Linke appreciation day organization
- ◆ 4th of July celebration planning taking into consideration changes and other challenges
- ◆ One of the more successful fisheree events
- ◆ Significant progress in updating covenants accordingly to changing times and changing desires of members
- ◆ Coordination and awarding scholarships to members or family of members including a current lodge employee
- ◆ Understanding and reporting how well the lodge business is managed including operations, accounting, hiring, etc. so that the board, committees, and management can make decisions based on timely and accurate information
- ◆ Recruiting some new residents to be involved with the board

I hope that you can see based on this list how easy it is for me to describe my time so far as President as a privilege. If you want to participate or even be exposed to more, please do not hesitate to take action to become more involved. Attend a board meeting as a guest, volunteer at an upcoming event like the Firewise event, nominate yourself to represent you subdivision (how do you think I got to this point?), or just simply ask questions of others during lunch or dinner at the lodge.

As always, if you have any questions, please feel free to contact me at 608-287-6095 and I will do my best to answer your question or find you the right resource to answer your question.

FROM THE TREASURER

*Knowledge is

I think Mother Nature forgot to send us spring this year after having our biggest snowfall and winter weather in April, to turning on the air conditioners less than thirty days later. Summer is here along with a gigantic mosquito hatch. Beside the mosquitos, the nice weather has brought a lot of customers to the Lodge giving the Lodge the best May in history. This was welcome after experiencing losses in the first quarter. We have now covered that loss and have a nice YTD profit thanks to Cheryl and staff.

We had to increase wages for the Lodge employees to remain competitive with other local businesses and retain our good employees. Cheryl had to increase the price of most menu items to cover the increased labor cost. Our prices are still comparable to other restaurants in the area. Even with the increased compensation plan, we are still struggling to find kitchen and waitstaff employees. If you know someone looking a job, send them to see Cheryl at the Lodge.

If you donated to the 4th of July fireworks fund, Thank You! If not, please consider donating to help us cover the \$8,000 cost of the fireworks, as we are still short. At the May 26th membership meeting, the Scholarship committee awarded four \$1000 scholarships to the following LSPOA member relatives;

Nick Esbeck Ali Nason Josie Nason Jocelyn Stronach

Congratulations to these outstanding students!

NEWS FROM THE MANAGER CHERYL

HAPPY SUMMER TO ALL

It's been a great season so far. If you haven't done so yet, please come and check out our new beach area. Enjoy a view sitting out on our deck enjoying a cocktail or two. Also don't forget to try our new monster pretzel, it's great as an appetizer or a snack to take out on your pontoon ride.

It's great to see the families who return every summer and also to see how much their children have grown over a season. Also it's great to see all the new people who have just moved onto the lakes area.

We have fun upcoming things for each season and sports related deals as well. Don't forget to check out our website and also check into the Town of Rome's website as well for all upcoming events.

For now, have a safe and fun summer, and we'll have more news for the fall newsletter.

Cheryl

Covenants Committee

Lake Sherwood Property Owners Association Covenants and Protective Restrictions and Camping Regulations and Conditions Revision

The LSPOA Covenants Committee has diligently been working on revisions to the Lake Sherwood Property Owners Association Covenants and Protective Restrictions and Camping Regulations and Conditions. The intent of these documents is to protect the safety of Lot owners, the public, and the environment; the property value of Lots and Structures; and the ability of owners to enjoy the use of their Lots and Structures in Lake Sherwood Subdivisions (Additions). The proposed revisions will be written clearly and unambiguously to facilitate enforcement of restrictions that meet the intent noted above.

The proposed Lake Sherwood Property Owners Association Covenants and Protective Restrictions and Camping Regulations and Conditions were submitted to legal counsel for review in June and will be proposed to the LSPOA Board of Directors at the July 7, 2018 Board of Directors Meeting for approval. After approval by the Board of Directors the documents will be sent to all Lake Sherwood property owners in early August. The proposed Lake Sherwood Property Owners Association Covenants and Protective Restrictions and Camping Regulations and Conditions will then be presented at the September 1, 2018 General Membership Meeting for approval by Members. Please plan to attend this meeting.

CONSERVATION NEWS

by David Trudeau, Committee Chairman

I'd like to open up with a summary of the last two paragraphs from my spring newsletter submission, which were omitted during the editing process.

We installed a fish sticks habitat project last winter in the Conservancy Area of Lake Sherwood. The DNR recommends this near shore fish habitat improvement practice for lakes lacking 200 trees in the water per linear mile of shoreline. By this measure, Lake Sherwood needs 1,700 trees in the 8½ miles of shoreline to have a healthy fishery resource that mimics natural lakes, so every bit of habitat improvement we can make is critical. I am planning to install roughly 80 additional trees next winter on the State owned public island and I have obtained \$3,000 in funding from the DNR and Tri-Lakes Management District towards that project. A good supply of live trees is important to continuing in the future, so if anyone is planning on doing any clearing on their parcels, please contact me about the possibility of using some of those trees. Only live trees can be cut for this project since they will sink into the water, whereas dead trees will float. Please look over this project on the website and while out boating and see if there is a possibility of putting even one bundle at your private lake parcel to assist with this lake habitat improvement. I can obtain grant funding for this practice so there is no homeowner cost.

I applied for a 2018 Firewise grant of \$1,750 and was awarded the full request by the DNR. We are making great progress on the clearing of dead trees and brush in Sherwood Forest with goals for the property being used and enjoyed by our members, while reducing the wildfire hazards to adjacent private parcels. The grant dollars are used to finance removal of the piled brush by the Town of Rome and to pay for the use of equipment, such as chainsaws, ATVs, and trailers. The fall Firewise clean-up for Sherwood Forest is planned for Saturday, October 27th, from 9 to noon. Your volunteer help with any of our Conservation projects is very much appreciated.

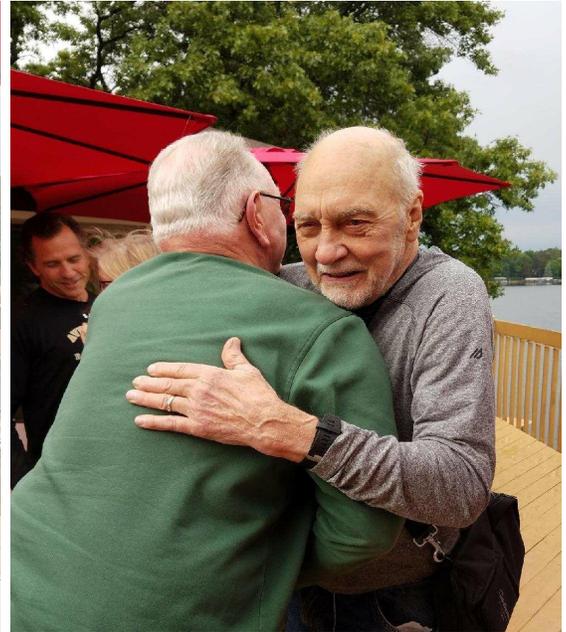

A second Cops and Bobbers fishing event was held for our community kids at the Lodge on June 2nd, to coincide with the DNR free fishing weekend. In spite of cool weather, there were 14 participants and all had a good time. Thanks go out to our Rome Police Officers, Sherwood Lodge staff, and volunteers who made the event a success.

Our 14-mile Watershed Committee is making a lot of progress in studying our lake and water resources. Some major plans are in the developmental stages. Water tests for nitrogen and phosphorus are being conducted in the tributaries above Lake Camelot and below Lake Arrowhead. There has been a Citizen Lake Monitoring program on Lake Sherwood in the past and volunteers are needed to resume that testing. Recommended practices for lawn fertilizing were published in the Spring Newsletter and most of those practices have been incorporated into Town Ordinances.

Through the Healthy Lakes Grant program, we were able to secure grants for the fish sticks practice for 2018, plus 5 shoreland native vegetation planting projects. The shoreland plantings grant will pay a 3:1 match to establish a native vegetative buffer that is a minimum of 10 feet wide, so for a project costing \$1,333, the grant can reimburse you \$1,000. The landowner share can also be in-kind labor, rather than a cash expense. I am establishing a list of landowners interested in applying for this grant for 2019 projects. Please let me know if you have an interest or want more information.

THANK YOU BOB & EMY LINKE

Thank You for your commitment to our mission and all the hard work and dedication you put in. Your efforts are truly appreciated. It's not how much you give, but how much love you put into giving. For some people volunteering is about giving, but for you, it's always been a way of living. Enjoy the little things in life for one day you may look back and realize they were the big things that made your life. The heart of a volunteer is not measured in size, but by the depth of the commitment to make a difference in the lives of others..

OPEN BURNING

Open burning is defined as burning any material outdoors without any air pollution controls in place. Burning in an unconfined area, a container or a pile are all considered to be open burning.

Burning solid waste materials, such as treated wood, plastic, household garbage and most other trash is prohibited state-wide, and local ordinances may be more stringent than state-wide requirements. It is legal to burn items such as leaves, brush and clean wood under some circumstances. However, you need to make sure you have all necessary burn permits. Permit can be obtained at Pritzl's located on HWY 13 and Alpine Drive or online at DNR.

It is always better to use alternative disposal methods, including composting, recycling, and landfills.

Lake Sherwood Property Owners Covenants Review

The LSPOA Board of Directors requested a legal review of the Lake Sherwood Property Protective Covenants and Restrictions in December, 2017. The review indicated the Protective Covenants and Restrictions are enforceable as written yet need revisions and updates to clarify wording and address recent law changes. As a result, the LSPOA Covenants Committee will embark on a review to recommend revisions to the Board and LSPOA Members. LSPOA Members are encouraged to share their thoughts on revisions to the Lake Sherwood Property Protective Covenants and Restrictions. Email these to lspoa@wctc.net.

LSPOA General Membership Meetings

MARK YOUR CALENDAR for the 2018 Memorial Day General Membership Meeting, May 26, 2018, and the Labor Day General Membership Meeting, September 1, 2018. Both meetings will be held at 10 a.m. in the lower level of the Sherwood Lodge.

2019 LSPOA Board of Director Nominations and Election

LSPOA By-laws state: One Director should be elected for each of the recorded subdivisions (additions) of Lake Sherwood. Elected Directors shall own property in the subdivision to which he/she is elected. The term of office shall be for one year beginning January 1 and ending December 31. There shall be no limit of successive terms.

Nominees to the 2019 Board, selected by the Nominating Committee, will be presented to the Association Members at the Memorial Day Weekend General Membership Meeting. LSPOA is seeking individuals interested in representing their subdivisions as Directors. If you are interested in becoming a LSPOA Director please email lspoa@wctc.net. The Nominating Committee will add your name to its list of nominees for the subdivision in which you live.

Ballots are developed after the Memorial Day Weekend General Membership Meeting and provided to LSPOA Members in August. Elected Board Members are announced at the Labor Day General Membership Meeting.

2018 Rome n Fest

Mark your calendars to attend the Annual Rome dinner production at the Rome Town Hall. This local dance and theatre production is written, produced and acted by all local Rome talent. All proceeds are donated to local charities and this year include our soon to be instituted local ambulance, community garden sprinkler project, Friends of the Rome Library, and the Adams County Food Pantry.

To date the Rome Home Town Rome Players have donated in excess of \$60,000 to local charities. Two performances are available on August 10 & 11. Reserve your seats soon as tickets go fast! Tickets can be purchased starting July 1 at the Rome Library and Key Savings Bank. Ticket costs are \$30 and table sponsors are welcome to guarantee choice seating. This is a fun evening with plenty of laughs and a great dinner while supporting local charities!

4TH OF JULY CELEBRATION

To Lake Sherwood Residents,

The recreation committee is now in the planning stage for this year's July 4th celebration. We are hoping for another great day with good weather. The turnout has always been very good and we expect the same for this year's event. The celebration will be on June 30th of this year 2018. We are now asking for your help in putting on the event. The volunteer sheet will be posted at the Lodge. All we need is a couple of hours of your time to make this a great celebration of our country. The surrounding community looks forward to this each year and this is a good opportunity to demonstrate to them, our children, and our grandchildren that we honor our country by giving of ourselves to make this event special.

The craft show begins at 10:00am to 3:00pm.

The kids games will start at 12:00 under the Lodge shelter.

The bean bag tournament starts at 2:00pm (sign up is at the Lodge)

The Shermalot Ski Team starts at 6:00pm. The music starts at 8:00pm.

The raffle prizes will be drawn during the ski show.

The new improved Fireworks Show begins at 9:30pm.

The Lodge will be operating the food tent from 10:00am until 10:00pm.

Here are some ways you, as a property owner in the Lake Sherwood subdivision, can help.

Volunteers are needed on the weekend for the event as shown on the list included in this newsletter. Please consider helping make this event a success. You may also contribute by donating to the Fireworks Fund, and/or donating a gift for the Raffle which helps cover the cost of the fireworks.

On behalf of the LSPOA Recreation Committee I would like to thank you for your continued support.

Thank You,

Mike Skadow

LESTER PUBLIC LIBRARY NEWS

The Lester Public Library of Rome is excited to be offering a variety of programs for the summer months. We will have performers, crafts, movies and activities the whole family can enjoy. All events are free to the public and all ages are welcome. We look forward to seeing you!

2018 Summer Reading Program - Our Summer Reading Program calendar of events is now available for viewing on the library website, Facebook page, and handouts are available in the library. The theme for this year's program is "Libraries Rock" and we couldn't agree more. Registration for the reading program begins June 1st and is free to the public. This year if children read 50,000 minutes, they get a chance to win a Renee. Who wouldn't want to do that!

Movies for Grown-Ups - The library offers movies on Mondays and Fridays for our adult patrons. Come in and watch new releases or staff picks. Bring your own snacks and enjoy a movie with us. For titles and times, please call the library or visit our website or Facebook page. This event is free to the public.

Family Movies- The library will be showing Family Movies throughout the summer. Bring your own snacks and enjoy a free movie as a family. For titles and times, please call the library or visit our website or Facebook page. This event is free to the public.

Youth Gardening Program every Wednesday from 10:00-11:00am - Are you interested in gardening? This summer, join our Master Gardeners on Wednesday mornings and learn how to care for vegetables and plants at the Rome Library. This program is for children ages 6-18 and will be offered June through August. Registration is required. Sign up at the circulation desk or call 715-325-8990.

Stop, Drop and Read!- The Lester Public Library of Rome has teamed up with the Rome Fire Department to offer an exciting reading program for children in our area. Come in and read with a firefighter and learn the importance of their job in our community. We will offer half hour sessions on Wednesdays from 2:00-3:00pm. Registration is required and space is limited. Call the library at 715-325-8990 or sign up at the circulation desk.

Shark Week- June 25th -30th - Come to the library and enjoy a whole week devoted to sharks. Make shark crafts, watch some shark movies and take home shark treats. This is open to all ages. We hope you come and check it out, it will be Jawsome!

Big Truck Petting Zoo- Thursday, June 14th from 1:30-2:30pm- Did you ever wonder what the inside of a dump truck looks like? Come to the library and see just some of the big trucks the Town of Rome uses up close and personal. Kids can sit behind the wheel and ask questions on how these trucks are used and why they are important to the Rome Public Works Department. This event is free to the public and all ages are welcome.

Christmas in July – July 23rd-28th – Get into the Holiday spirit with the Lester Public Library of Rome. Enjoy making Christmas crafts, watching a few Holiday movies and of course, some delicious Christmas treats. This is open to all ages.

S'mores Day – August 10th – 10:00-5:00pm- Do you like chocolate and marshmallows? Join us as the library staff turns part of the library into a campsite! Bring your blankets and settle in for some great campfire stories and then grab a S'more to take home and enjoy. This is open to kids of all ages.

Garden Chat - Wednesdays from 11:30-12:30pm. Bring your lunch and chat with the Wood County Master Gardener Volunteers. There will be a different topic each month but you are encouraged to ask any questions you may have. This program is free to the public and beverages will be provided. Garden Chat topics: June 20th - Pests July 18th- Managing your gardens; Aug, Sept and Oct- TBA

Lego Program every Wednesday from 2:30-4:30pm- Come in and build with Legos. You can follow ideas from one of the Lego books or create your own. This program is open to all ages.

Tech Tips and Tricks with Patti Thursdays from 2:00-3:00pm- The library is continuing to offer a technology program for our adult patrons. These classes offer solutions on how to use your devices as well as tips and techniques to navigate the web, emails and more. This program is free and open to the public.

Library Hours: Monday, Wednesday & Friday 10:00am-5:00pm
Tuesday & Thursday 10:00am-7:00pm & Saturday 9:00am-2:00pm

THINGS TO DO

The tentative opening date for the new splash pad park is July 25, 2018. The new park, located in Alpine Village Business Park south of the Gazebo contains a 3,500 sq. ft. splash pad, swings and multi station playground equipment. The park was designed to be mobility accessible. Closer to opening we'll announce hours of operation. The date is tentative so Like the Town of Rome Facebook page and/or subscribe to updates on the Town's web site at <https://www.romewi.com/subscribe-to-updates/> And it's FREE!!!

Don't forget Gather by the Gazebo! Join family and friends for MUSIC, FOOD, and FUN at Alpine Village Business Park - Town of Rome! Make it your meeting spot, family summer get together or a dinner date under the beautiful gazebo. These events take place on July 11th and August 14, 2018 5:30 p.m. - 7:30 p.m. Admission is FREE.

DYRACUSE

Dyracuse Recreation area now has Rome property owner's rates. Just bring in proof of owning property or renting in the Town and you can get the discounted rate. An Individual season pass cost \$50 and a Family season pass cost \$80. Good times!

Dyracuse Recreational Area is growing by leaps and bounds. We recently expanded the Park and are now over 500 acres in size! New trails are being cut in this year, and we also hope to receive additional grant funding to further expand the Park. The Park is open Wednesdays from 2 to 8 pm, and Friday, Saturday, and Sunday from 10 am to 8 pm. We also rent out the facility on days we are normally closed (Monday, Tuesday, or Thursday) for private events. Come out to see us sometime!

SHORT TERM RENTAL

Due to changes in state law, short term rentals are now allowed anywhere in the Town of Rome provided the owner meets a strict set of conditions. Those conditions include such things as health and safety inspections from the County and the Town, conditional use approval from the Plan Commission and a license which can be revoked for repeated violations or other noncompliance. If you are interested in finding out more about short term rental please contact the Clerk/Treasurer at Reuteman@romewi.com or call 715.325.8022.

SUMMER SAFETY

As the threat of the spring fire season dies down, we begin to look forward towards the other risks that summer brings to a vacation destination town. Earlier this spring Adams County led us in a table-top exercise; the threat this year: a dam break in the Town of Rome. Although it brought to light many things to think about, we are well prepared to deal with such an event. However, with June being pet preparedness month, I hope to get people's gears spinning about their plans for evacuations, regardless of the cause.

It is important to have an emergency supply kit, plan for your medications, know where to go in the event of an emergency, and have a communications plan with your family. There are often many public shelters created in an emergency, but many will not allow pets unless they are service animals. Planning for your pets in an emergency is a crucial part of your emergency plan. Pets can be lost or injured if left behind and should always be brought with you during a disaster. Find a pet friendly hotel, a boarding facility, animal hospital, or out-of-town friends or relatives to keep your pet safe if you must evacuate. Keep a copy of your pet's vaccinations, microchip information, and a selfie of you and your pet (to help prove ownership) in your emergency kit. Pack extra pet food and water and never keep your pet in a hot car.

Look for more information at www.ready.gov and as my father always told me: "Plan for the worst and hope for the best."

The Rome Fire Department looks forward to seeing you at all of the town events this summer. Please sign up your kids to have a firefighter read to them at the Lester Library this summer and bring them to the library on July 20th for a demonstration with our fire truck. As usual we will be hosting an open house on October 13th. We hope this year to expand our outreach with more demonstrations and games for the kids.

George Taub, Chief, Town of Rome Fire Department

This is time of year when the Rome Police Department receives complaints about fireworks. The Town of Rome has a zero tolerance for illegal discharge of fireworks. How can you tell if they fireworks are illegal? A commonly used rule of thumb is that if the device explodes or leaves the ground it is unlawful to discharge without a permit. The permits issued at many roadside stands indicate a specific place for the discharge of the fireworks. There is NO LEGAL place in the Town of Rome so any discharge would be illegal and subject to a \$250.00 fine and confiscation of the fireworks.

The Town of Rome regulates noise and during the summer months we see a rise in complaints from neighbors. With windows open loud noise from music, parties and such travels into neighboring homes. Please enjoy yourself but keep your neighbors in mind when having your outdoor celebrations. Rome limits noise to 80 decibels during the hours of 7am until 10pm and 55 decibels 10pm until 7am. After 10 pm 55 decibels can be compared to a quiet restaurant inside. So use your quiet voices after 10 pm showing consideration for those neighbors that may be sleeping.

Jason Lauby – Chief of Police

ROADWORK

The Town of Rome's Public Works Department is in the midst of several summer projects. Mowing of the road right of ways has begun, pothole patching and shouldering is being performed by Public Works staff, and pavement repairs, crack filling, and seal coating will occur later in the summer. Please exercise caution when driving by workers out on the different job sites.

IMPORTANT ELECTION INFORMATION

There are two elections this fall that residents should know about. There is a Partisan Primary on August 14, 2018 with the election to be held on Tuesday November 6, 2018. These elections include the Governor and Lt. Governor, Attorney General, Secretary of State, State Treasurer, U.S. Senator, Representative in Congress and Representatives to the Assembly and in the county the offices of Sheriff and Clerk of Circuit Court. Voting hours on election days are 7:00 a.m. to 8:00 p.m. at the Rome Town Hall, 1156 Alpine Dr., Nekoosa. Please remember you need your photo ID to vote. Most people already have the photo ID they need to vote like a Wisconsin driver's license, ID card or other DMV-issued document. The full list is available at www.bringit.wi.gov. If you are already registered, your photo ID does not need to have your current address in order to use it to vote. If you are not already registered to vote in the Town of Rome, or you have moved, then you may register on election day, however, in order to save yourself some time you may stop in any time between 8:00 a.m. and 4:00 p.m. Monday - Friday at the Town Hall and register to vote or go online to www.myvote.wi.gov. The deadline to register is the Friday before each election. If you have any questions please call 715-325-8022.

Have a safe and fun summer!

Steve's Plumbing

"We're the good guys your friends told you about"

Frequently Asked Questions

At Steve's Plumbing, Inc. we want to be the plumber that you call every time. To better serve you, we have put together this listing of frequently asked questions to better assist you with questions you may have.

What should I expect from my service visit? Because your time is valuable, we will send a fully trained technician to your home with a truck stocked with 1000s of parts. This means that unless your problem is unusual, we are able to complete the work while we are at your home. This not only saves you time but money as well, because we do not need to run out for parts. The tech will do a thorough evaluation of your problem, helping you understand the problem and the proper procedure to repair it. We then give you Straight Forward Pricing options, before any work begins.

Can I get ballpark pricing over the phone? Prices over the phone are rarely in your favor. We do not give pricing over the phone. Some companies may give a low price over the phone just to get in your door and then increase the price when they arrive at your home. Our policy is to be onsite, do a thorough evaluation of the problem, talk with you about what we have found and give you Straight Forward Pricing.

What is the Straight Forward Pricing you offer? We prefer to offer options. Before the tech begins any work we will review what we found during our evaluation of the problem, help you understand the problem and the proper procedure to repair it. Then we will let you know exactly what it costs to complete the work and what is going to be done. This is our Straight Forward Pricing.

What do you charge per hour? We don't charge per hour; we use Straight Forward Pricing. When you pay by the hour, the longer the plumber takes, the more YOU pay. In other words, the slowest plumbers with the worst equipment make the most money. With Straight Forward Pricing, you will know the cost of the job before the technician begins any work, and whether it takes him 2 hours or 6 hours, you pay the Straight Forward Price that we gave you before we started the job.

What type of work do you do? We do repairs and replacements of water heaters, garbage disposals, toilets, faucets, water softeners, septic repair or replacement, well repair or replacement, drain cleaning, repairing of water and waste piping leaks, bathroom or kitchen remodels, and more!

Mission

The **Lake Sherwood Property Owners Association** is an organization formed to represent property owners in the subdivisions of Lake Sherwood. The purposes of the business and undertakings of this association are to preserve, maintain and improve amenities of the Association, the value of Lake Sherwood property, the water quality of Lake Sherwood and the ability of Members to enjoy their property.

Amenities

The amenities of the **Lake Sherwood Property Owners Association** include a lakefront property on Lake Sherwood. This property contains the Lake Sherwood Lodge, a tavern that serves food and beverages; boat dockage; the LSPOA Office; a meeting room, pavilion and marine gas pump. The Board of Directors of the *Lake Sherwood Property Owners Association manages the property, business and undertakings of the Association.*

Dues Benefits

Annual \$100 LSPOA dues provide Members the following benefits:

- A voice in lake area issues through **elected Board representatives** who participate in monthly LSPOA Board meetings.
- A unified voice in **Tri-Lakes Management District** concerns for continued water quality.
- **Covenant enforcement** to protect Lake Sherwood property investment.
- A **LSPOA Administrative Assistant** available for Association member assistance, information, permits, etc.
- An active **Conservation Committee** that participates in fish stocking, Firewise projects and conservation education.
- An annual **fishing contest**.
- A fabulous **4th of July Celebration**.
- **Newsletters and webpage** to share important information.
- **The Lake Sherwood Lodge**, a beautiful meeting place for friends and family that offers:
 - Food and beverage service
 - Entertainment - parties & music
 - Access to the only on-water marine gas facility
 - Private dockage and beach area with shoreline protection to retain LSPOA property
 - Use of meeting room and outside shelter, at a reduced cost to dues paying Member

General Membership Meetings

LSPOA General Membership meetings are held on the Saturday of each Memorial Day weekend and on the Saturday of each Labor Day weekend at 10:00 AM at the Lake Sherwood Lodge. Lake Sherwood property owners are encouraged to participate in these meetings. To vote at these meetings attendees must be dues paying Members of the Lake Sherwood Property Owners Association.

DID YOU KNOW?

Lake Sherwood Lodge is housed in the building that originally served as the sales office for N. E. Issacson, the developer of Lake Sherwood. In 1969, the sales staff moved on, and Mr. Issacson deeded the building and \$3,000 start-up money to the **Lake Sherwood Property Owners Association (LSPOA)**.

In 1972, the Lake Sherwood Property Owners Board made a decision to make the Association as self-supporting as possible by establishing a concession operation. A five-stool bar was established in the lower level of the building where patrons could purchase beer and pizza. In 1973, a full liquor license was obtained and **Lake Sherwood Lodge** began its journey to its existence today.

The original Lodge has undergone many, many remodeling projects to become the Lodge you enjoy today. The **Lake Sherwood Property Owners Association (LSPOA)** along with our Bar Manager will continue to enhance **Lake Sherwood Lodge** for your enjoyment.
